**Particulate Respirators**

**N95-001**  
NIOSH Approved Product  
N95 Particulate Respirators  
20 Particulate Respirators

**WARNINGS**

1. This respirator is not a substitute for the use of gloves, goggles, or face shields.
2. A properly fitted respirator is one that you can comfortably wear over your face, including the nose, without it leaking. 
3. The noseclip is designed to fit your bridge of the nose. If it does not fit, it should be adjusted to prevent any discomfort. 
4. To test fit: a) Cup both hands over the respirator being careful not to disturb position, and b) inhale vigorously. If air leaks around the edges, reposition the straps or adjust strap tension for better fit. 
5. Please carefully follow these fitting instructions during each use to achieve proper fit.

**LIMITED WARRANTY**

This limited warranty is made in lieu of the warranties of merchantability, fitness for particular purposes and all other warranties, express or implied. There are no other warranties which extend beyond the description on the face herof.  The physical standards and specifications of Medacure will be met by products sold. 

**Exclusive Remedies:** damages for the breach of this limited warranty are limited to the replacement of such quantity of Medacure products proved to be defectively manufactured. Except as provided above, Medacure shall not be liable or responsible for any loss, damage, or liability, direct, indirect, incidental, special or consequential, arising out of sale, use, misuse or the inability to use products by the user.

**RESPIRATOR FITTING INSTRUCTION:**

**STEP 1**

Hold the respirator in hand with the nosepiece at your fingertips, allowing the headbands to hang freely below your hand.

**STEP 2**

Press the respirator firmly against your face with the nosepiece on the bridge of your nose.

**STEP 3**

Stretch and position the top band high on the back of the head. Stretch the bottom band over the head and position below your ears.

**STEP 4**

Using both hands, mold nosepiece to the shape of your nose.

**STEP 5**

To test fit, cup both hands over the respirator being careful not to disturb position, and inhale vigorously. If air leaks around the edges, reposition the straps or adjust strap tension for better fit. 

Please carefully follow these fitting instructions during each use to achieve proper fit.
